

# Suzuki Celerio hatchback

The 5-door Celerio is a replacement for the Alto and Swift and is available in two trim levels.

## Structure

Little is known about the structure as yet, though it's likely to feature 590MPa HSS for most of the core structural panels.

Dimensions are: 3600 mm length, 1600 mm width, 1540 mm height, with a wheelbase of 2425 mm.

## Technology

All models feature 6 SRS airbags, driver front airbag, passenger front airbag, side/seat airbag, and curtain airbags. A Tyre Pressure Monitoring System is another feature.

All models feature ESC systems

## Trim levels : SZ3, SZ4

SZ3 features front electric windows, DAB digital radio, air conditioning, 14" alloy wheels

SZ4 features front and rear electric windows, DAB digital radio, air conditioning, body-coloured electric door mirrors, front fog lamps, 14" alloy wheels and chrome front grille surround.,

## Paint Colours

Available colours include one solid colour and five metallic finishes.

## Powertrains

998cc, 3-cylinder Euro 6 petrol engine, 68 PS output, with peak torque of 90 Nm. Drive to the front wheels is through a 5-speed manual transmission. CO2 emissions are 99g/km. Fuel tank capacity is 35 litres.

Note: launched in the UK on 1st February, the Celerio was subject to a recall on the 2nd February following a failure during an emergency brake test carried out by the press. The recall relates to retraction of the brake pedal and only Right Hand Drive models for the UK, Ireland, Australia and New Zealand are affected. Suzuki suspended sales of the model pending resolution of the problem.
