MINI Countryman (2014 facelift)

Technology :

The biggest change is to the EU6 complaint engines.

Trim levels : One, One D, Cooper, Cooper D, Cooper S, Cooper SD, John Cooper Works

A Tyre Pressure Control system is now standard across the range. Air conditioning, rear park sensors and DAB radio are standard across the range.

One/One D: The horizontal front grille ribs are high-gloss black finished.

Cooper/Cooper D: The horizontal front grille ribs are matt silver finished. 16" 5-spoke alloy wheels are standard. Contrasting White or Black roof and mirror covers are a non-cost option on Cooper and above models.

Cooper S/Cooper SD: The horizontal front grille ribs are chrome finished. 17" alloy wheels are standard with an extra cost 2-colour design available.

John Cooper Works: The horizontal front grille rib is finished in red with the John Cooper Works emblem.

Contrasting Red paint finish for the roof and mirrors is a non-cost option for the John Cooper Works

MINI Countryman (2014 facelift)

Paint colours:

The range includes new colours: Midnight Grey, Starlight Blue, and Jungle Green (all of these are metallic).

Engine line up :

The petrol and diesel engines are all 4 cylinder:

One	89bhp	134g/km	petrol engine
One D	90bhp	111g/km	diesel engine
Cooper	122bhp	137g/km	petrol engine
Cooper D	111bhp	111g/km	diesel engine
Cooper S	190bhp	139g/km	petrol engine
Cooper SD	143bhp	119g/km	diesel engine
John Cooper Works	218bhp	165g/km	petrol engine

A 6-speed manual transmission is standard, with a 6-speed automatic transmission as an option.

MINI ALL4 four-wheel drive with an electromagnetic differential is available as an option on models from Cooper and above
